

# Walk-in Clinical Counselling Volunteer

---

## Program Summary

Family Service Toronto provides free walk-in counselling for those in need of immediate and timely single session counselling. This service is provided on a first-come first-served basis. Sessions are offered at 355 Church St. on Wednesday afternoons and early evenings. This service is for individuals, couples or families who live or work in the City of Toronto.

## Position Summary

We are seeking volunteers to provide single-session counselling support services to individuals, families, and couples who live in the City of Toronto, through the Walk-In Counselling Service. The Walk-In operates on a co-counselling model and team members are often paired together to provide service. **Applicants are required to have successfully completed a recognized Master's level clinical training program and be registered with the CRPO, OCSWSSW or CPO.**

## Core Responsibilities

- Provide clinical counselling based on a single session model
- Assess client needs, collaboratively identify therapeutic goals, apply appropriate therapeutic interventions and plan next steps within a 50-minute counselling session
- Work collaboratively with the Walk-In service team and the Counselling Services Program
- Same-day completion of all documentation required for the Walk-In Service
- Communicate accurate information about the Walk-In Service to the community
- Assist other Walk-In volunteers in their work with the Walk-In Service

## Qualifications

- Successful completion of a recognized Master's level clinical training program (e.g. MSW, Counselling Psychology, M.Ed. with Counselling Psychology as a focus). Foreign credentials will be considered.
- Registration with the College of Registered Psychotherapists of Ontario (CRPO), the Ontario College of Social Workers and Social Service Workers (OCSWSSW) or the College of Psychologists of Ontario (CPO) is required
- Excellent oral and written communication skills in English
- Strong clinical knowledge and skills in a recognized psychotherapeutic modality such as brief, narrative, solution-focused, CBT, Mindfulness or Gestalt therapies
- Knowledge of crisis intervention, safety planning, and suicide and risk assessments
- Experience working with families, couples and individuals in a clinical counselling capacity
- Ability to work with marginalized persons from a client-centred, empowering, and strengths-based approach
- Ability to maintain boundaries with clients and provide time-limited counselling services
- Work well independently with minimal supervision
