

Join the conversation about our future at Family Service Toronto

Family Service Toronto (FST) is developing a new strategic plan and we need your help to establish our priorities and guide the organization over the next five years. To help make sure this plan serves the needs of our clients and community we are hosting a series of special events.

Work worth doing: A dialogue on the future of family services

A special event open to our clients, community members and staff
February 7, 1-5pm, 355 Church St.

Join us as we hear from and speak with seven leading thinkers from the fields of public health, justice, developmental disabilities, and community mental health, and talk about how FST should evolve to better support Toronto residents.
