

# ART IN TRANS ITION\*

## ART IN TRANS\*ITION Peer Support Group

A virtual, 5 - session, bi-weekly group offered by  
David Kelley Services (DKS) &  
Family Service Toronto

This 5-session virtual group will use art making to reflect on our own gender transitions – social, emotional, medical and physical. We will explore a variety of themes through writing, drawing, poetry, zines, comics and more. For and by 2STNB+ people, this group is inclusive of everyone on a journey of gender transition, whatever transition means to them. Participants of all art-making experience and abilities are welcome (even if that is none!).

**Required art supplies:** Journal; pen and pencil; phone camera.  
**Optional:** Scissors, tape and glue; collage scraps; paint and brushes; markers; crayons; your art medium of choice.
