

FINANCIAL EMPOWERMENT WORKSHOP SERIES

Learn about finances, money saving tips, & protecting your money

This is a 4-week workshop series is offered by the Canadian Foundation for Economic Education (CFEE) and the Violence Against Women (VAW) Program at Family Service Toronto for women-identified survivors of gender-based violence and/or trauma.

Whether you are looking to build your financial knowledge, learn practical money management skills, or better protect your finances, this workshop series offers information and tools to support your financial well-being.
