

Passport Funding Support Group

A group for adults (18 +) living in Toronto with a developmental disability who have Passport funding.

We are a community of Passport recipients coming together to share experiences, learn from one another, and navigate the Passport funding process more effectively.

Our group is a supportive space to connect and learn. **Support persons are welcome.**

What will we do in the group?

- Learn how to use your Passport funding
- Discover programs and activities that suit your interests and needs
- Gain independence
- Build meaningful community connections
- Reduce stress by sharing experiences and strategies

Date & Time

First Tuesday of every month. Starting November 3
10 am -11am | 202-128A Sterling Rd., Illahee Room

Registration

The group is free and open to ongoing registration.
